

Attendance Certificate

MOOC Machine Learning in Weather & Climate

Agostino Manzato

has successfully completed

Tier 2 – Concepts of Machine Learning
(up to 12 hours)
January – April 2023

organised by
the European Centre for Medium-Range Weather Forecasts (ECMWF)
in partnership with
the International Foundation Big Data and Artificial Intelligence
for Human Development (IFAB)

Florence Rabier
Director General of ECMWF

Francesco Ubertini
President of IFAB and CINECA

**Module 1: Introduction to
Data Handling**
up to 3 h

**Module 2: Regression and
Decision Trees**
up to 2 h 15 min

**Module 3: Deep Learning
Architectures**
up to 2 h 15 min

**Module 4: Uncertainty &
Generative Modelling**
up to 1 h 45 min

**Module 5: Physics-Guided
Machine Learning**
up to 2 h 45 min
