To whom it may concern

Dear Sir/Madam,

The Nansen Environmental and Remote Sensing Center (NERSC), together with the Consorzio Interuniversitario Nazionale per Fisica delle Atmosfere e delle Idrosfere (CINFAI) and the Istituto di Scienze dell'Atmosfera e del Clima (ISAC), have organized the symposium "*Numerical modeling, predictability and data assimilation in weather, ocean and climate. A symposium honoring the memory of Anna Trevisan*". The event has been held at ISAC's premises, in via Gobetti 101, Bologna (Italy), on October 17 – 20, 2017. See www.isac.cnr.it/Anna-Trevisan-Memorial-Symposium.

With the present we certify that Mr Agostino Manzato has attended the Symposium.

Yours sincerely,

Alberto Carrassi

On behalf of the organizing and scientific committee: Michael Ghil, Eugenia Kalnay, Alberto Maurizi, Franco Prodi, Antonio Speranza and Olivier Talagrand.
